

# Anaconda Copper Mine Roundtable Meeting Agenda Monday, July 17th

1. Introductions and roundtable meeting objectives (similar format to previous meeting).
2. Further stakeholder discussion regarding deferral process documents:
  - a. Group discussion of documents, based on stakeholder preference.
  - b. NDEP will provide responses to questions, when possible, and will take notes and provide answers in writing at a later date, if necessary.
  - c. After each stakeholder has had an opportunity to voice questions and concerns regarding each deferral process document, we'll open up the floor to further group discussion to address other questions.
4. Break
5. Community Involvement and Participation Plan discussion (see handout).
6. Additional enhanced evaporation pilot study discussion.
7. Next steps, timing for document completion and deferral request, and other action items.
